Operation Screen Your Athlete is requesting your sponsorship of our 1st Annual Bass Tournament at Lake Allen Henry on May 5, 2018. For \$100 we will add your name to our sponsorship banner. This banner will be proudly displayed at all of our screening events and cardiac awareness events throughout West Texas as well as on our website and social media (Facebook, Twitter and Instagram).

Operation Screen Your Athlete is a group of health care professionals that have come together to hold *free* cardiac screenings to help prevent sudden cardiac death in the youth of West Texas. We offer free screenings to youths 12-18 years of age. Our area has experienced three sudden cardiac arrests in young adults in the last two years. Unfortunately one of those three young men did not survive. The other two were successfully revived and have made full recoveries from their cardiac arrests.

Operation Screen Your Athlete was founded October 24, 2015. To date we have screened 721 youths with 18% recommended by a cardiologist to have further evaluation. Every screening clinic, event to spread our message, and web page design have been done by donations and fundraisers.

On Saturday, May 5, 2018 we will be holding a bass tournament to raise funds to continue our mission. With your support we will have a successful bass tournament and be able to save the lives of the youth of West Texas. If you would like to donate \$100 to our tournament, please send your tax deductible donation to our organization at the address below or see one of our board members.

For more information about our organization, please visit our website at www.operationscreenyourathlete.org. You will find information about our organization, fundraising activities, and our screenings to date. We appreciate your time and consideration in this matter. Enclosed is a copy of our bass tournament flyer.

Sincerely,

Operation Screen Your Athlete
